Dear Jack,

I would like to express my sincere thanks to you for your part played in helping to make my Installation Dinner such a success. Reports coming in are very positive and I am conscious that your contribution to the evening certainly contributed to the smooth running of the occasion.

Thank you also for playing a very important role at the Commemoration Ceremony of the Battle of the Somme on Sunday last. The event passed off with great dignity and precision and your professionalism certainly added tremendously to the morning.

With best wishes.

Yours sincerely,
