Dear Jack,

Just a quick note on behalf of the Senior Officers' Club to thank you very much for your excellent services on Friday night.

Your attention to detail, calm demeanour and most impressive uniform lent an air of gravitas and dignity to the occasion. I have received many pleads and much complimentary feedback from those who attended the evening - all of whom wished me to pass on to you their feelings and comments. Once again many thanks and I hope you also enjoyed the night - indeed sufficiently so to consider returning next year!!

Yours sincerely

Liz Thomas
