Dear Jack

Please accept this letter in thanks and appreciation for the magnificent manner in which you conducted proceedings at the Centenary Gala Banquet of the Ulster Unionist Party in Belfast City Hall on 4 March.

Your contribution was a most welcome addition to our proceedings and we thank you for your participation.

We were delighted that someone who looked after us so well in the past was in a position to look after us in a considerably different capacity. I hope you enjoyed the evening as much as we did!

Yours sincerely
